### **1. Processed data**

- Contact details (e.g., company name, address, telephone number, email address, name of contact person, etc.).
- All data relevant to the respective current respeggt supply chain, in particular information on the type and size of the system partner company, its order volume, number and type of animals reared and hatching data.

### **2. Type of processing**

The data collection is based on the information provided by the system partners, business documents, exchanged communication and correspondence (incl. contract documents) and data that is accessible on the internet.

The data is stored for the duration of the business relation with the system partner of respeggt GmbH and thereafter for the period of time in which respeggt GmbH still requires the data for contract processing, contractual documentation and due to statutory retention requirements. The data is disclosed to contractual partners and potential contractual partners of respeggt GmbH, namely other members of the current supply chain (hatcheries, rearing farms, laying hen farms, etc.) and to data processors of respeggt GmbH.

### **3. Purposes of processing**

Any data processing is carried out in the interest of fostering business relations that exist or are being sought between respeggt GmbH and the system partner or its customers, namely the other members of the supply chain.

The system partner has the right to revoke their consent to data processing at any time. The revocation of consent shall not affect the lawfulness of the processing carried out on the basis of the consent until revocation. The revocation can be made informally, for example by submitting it in written form to respeggt GmbH, Hildeboldplatz 15-17, 50672 Cologne, Germany, [info@respeggt.com](mailto:info@respeggt.com). Any rights of respeggt GmbH to processing data in accordance with Article 6 GDPR (namely to fulfil a contract or to perform pre-contractual measures in accordance with Article 6, Paragraph 1 b) GDPR) remain unaffected by the consent and its revocation.
