

# The 7 respeggt rules

Requirements for packing centres

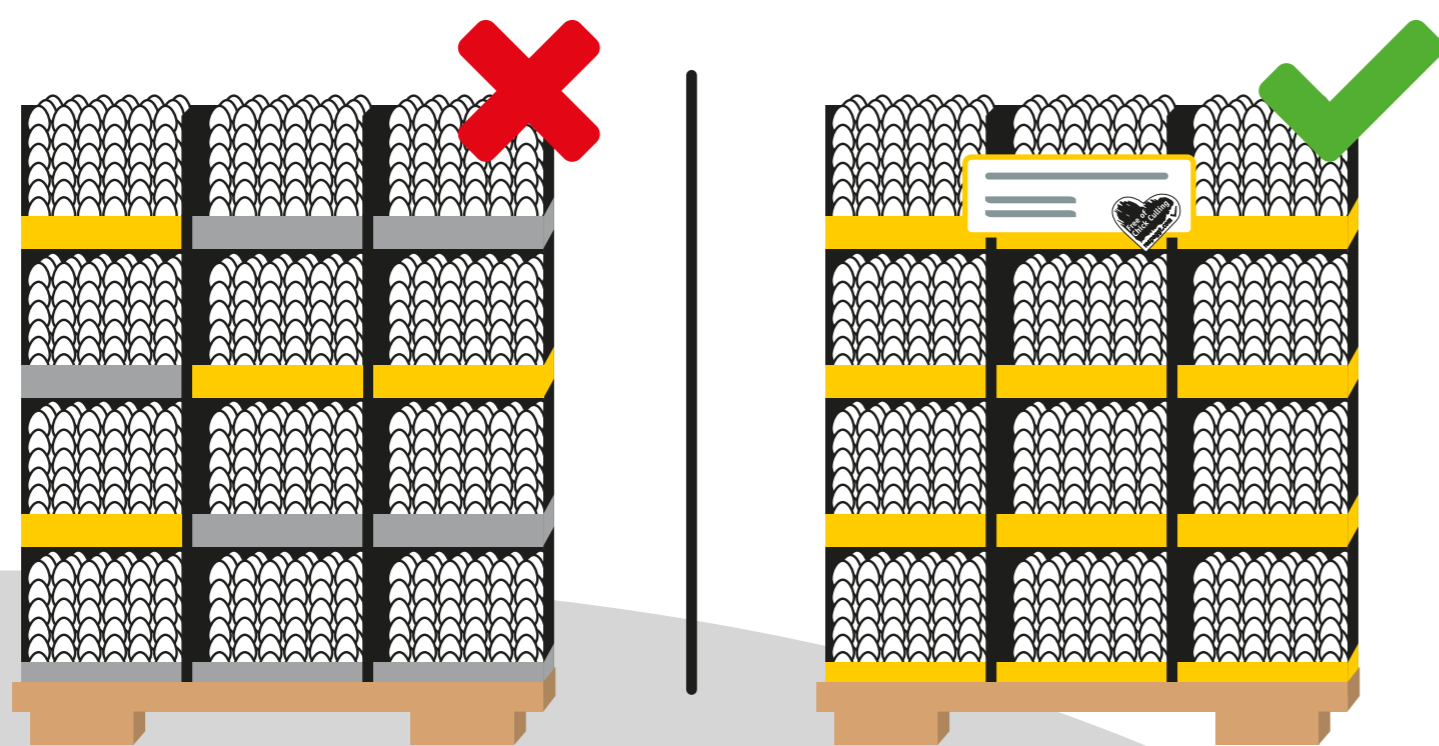

1

All employees must know and follow the respeggt rules for the handling of respeggt eggs.

2

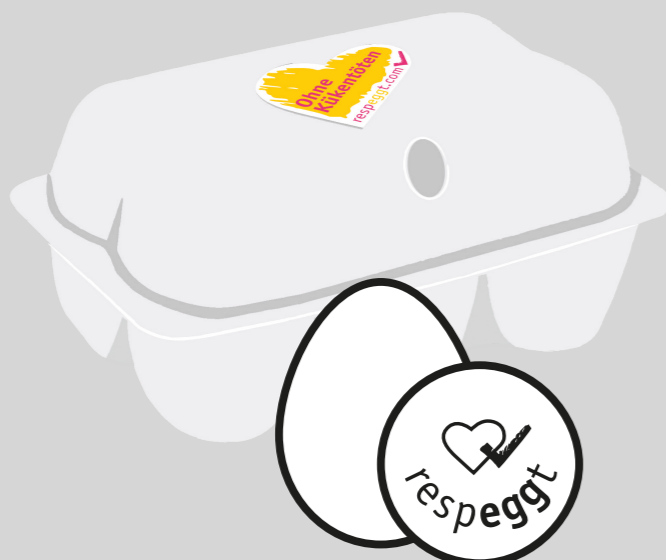

The respeggt eggs must always be collected, internally transported, sorted, packed on trays and palletised **separately** from conventional eggs.

3

All relevant documentation, such as delivery notes, transport documents and invoices, must always be marked with the reference **respeggt FoCC** (Free of Chick Culling) or with the respeggt document stamp.

4

The use of the heart-shaped **respeggt label** on packaging for end consumers requires the prior written **consent** of respeggt. Optionally, you may also print the **respeggt stamp** on the head side of the individual respeggt eggs.

5

To **verify the authenticity** of the respeggt eggs being sold, the receiving packaging centre must check the **producer code** of the eggs on the website [www.respeggt.com](http://www.respeggt.com) during the control of the incoming goods.

6

The packing centre must inform respeggt group upon the **removal** of each respeggt flock by sending an email to [data@respeggt.com](mailto:data@respeggt.com).

7

Employees of **respeggt group** may visit the packing centre at any time.
